Amazing Grace Lyrics

John Newton (1725-1807)
Stanza 6 anon.

Amazing Grace, how sweet the sound,
That saved a wretch like me.
I once was lost but now am found,
Was blind, but now I see.

T'was Grace that taught my heart to fear.
And Grace, my fears relieved.
How precious did that Grace appear
The hour I first believed.

Through many dangers, toils and snares
I have already come;
'Tis Grace that brought me safe thus far
and Grace will lead me home.

The Lord has promised good to me.
His word my hope secures.
He will my shield and portion be,
As long as life endures.

Yea, when this flesh and heart shall fail,
And mortal life shall cease,
I shall possess within the veil,
A life of joy and peace.

When we've been here ten thousand years
Bright shining as the sun.
We've no less days to sing God's praise
Than when we've first begun.

*Amazing Grace, how sweet the sound,
That saved a wretch like me.
I once was lost but now am found,
Was blind, but now I see.*

THE BRICK

As you gaze at my name on
the brick at your feet,
think of someone in your life
who never knew defeat.
Each day was a challenge-
not always at my best,
But I gave it my all
'til I was laid to rest.
Enjoying your friendship
in a game we both loved
is a gift I've been blessed with
like my Heaven above.
Remember my name on the brick
As you pass by!
As you are now-
So once was I.

Composed by Gerry Vidler

A Forever Love

I can't believe it's been this long,
It seems like yesterday you'd gone
And left a whole inside my heart
No one could fill.

We have our memories, our thoughts,
Our special times they're forgot,
And in our hearts we have their love forevermore.

Chorus

Be still my soul,
All is not lost.
Our lord above,
At His great cost,
Took all the pain,
Took all the blame,
so we'd have life, in Jesus name.

I can't believe
It's been this long.
It seems like yesterday we'd come
And now we're here again
At this Memorial.
To see us now would bring them joy,
Their friends, their family, the sport.
Perhaps they're looking down on us from heaven's bliss.

Chorus

1st Verse

O Canada!

Our home and native land!

True patriot love in all thy sons command.

With glowing hearts we see thee rise,

The True North strong and free!

From far and wide,

O Canada, we stand on guard for thee.

God keep our land glorious and free!

O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.
