Our home and native land!

True patriot love in all thy sons command.

With glowing hearts we see thee rise,

The True North strong and free!

From far and wide,

God keep our land glorious and free!

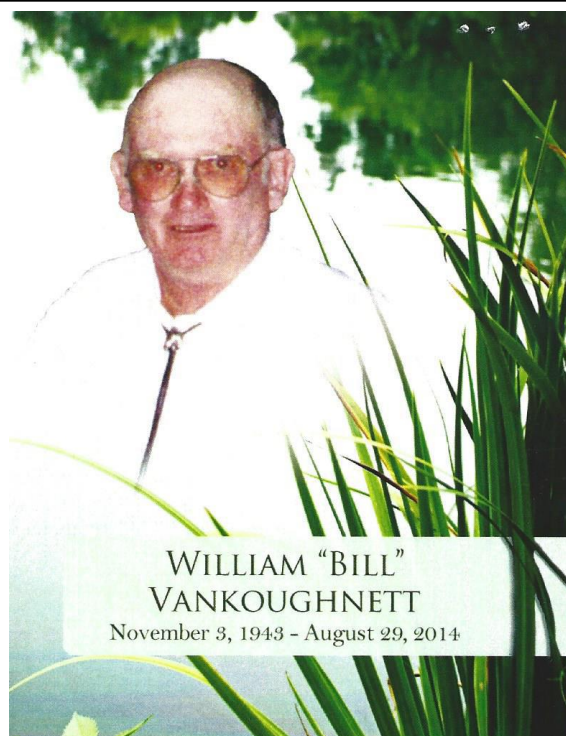

O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

Amazing Grace Lyrics

John Newton (1725-1807)

Stanza 6 anon.

Amazing Grace, how sweet the sound,
That saved a wretch like me.
I once was lost but now am found,
Was blind, but now I see.

T'was Grace that taught my heart to fear.
And Grace, my fears relieved.
How precious did that Grace appear
The hour I first believed.

Through many dangers, toils and snares
I have already come;
'Tis Grace that brought me safe thus far
and Grace will lead me home.

The Lord has promised good to me.
His word my hope secures.
He will my shield and portion be,
As long as life endures.

Yea, when this flesh and heart shall fail,
And mortal life shall cease,
I shall possess within the veil,
A life of joy and peace.

When we've been here ten thousand years
Bright shining as the sun.
We've no less days to sing God's praise
Than when we've first begun.

*Amazing Grace, how sweet the sound,
That saved a wretch like me.
I once was lost but now am found,
Was blind, but now I see.*

An August Mourning

*Come gather friends and family to the
sight at Dieppe Park.*

*It's the 3rd Saturday in August and
The service is about to start.*

*United in reverence we stand, 10 A. M. is the time,
Dress accordingly, we're here rain or shine.*

*The fountain marks our sanctuary and
when the winds do blow,
Its waters refresh and renews the names
on the bricks below.*

*As we approach the memorial of those we hold so dear,
Our eyes are focussed on the area where their names appear,
Contented to know those who mourn will
always be part of our team,
Never forgotten, remembering the faces that by fate no longer are seen.*

*Coming back each year gives
comfort to an aching heart,
Our caring presence and support is
a way of doing our part.
`Dear Father in Heaven when you meet
our friends and loved ones face to face,
Please convey our message that here
on earth their memory is alive at this place.`*

Composed by Gerry Vidler

A Better Place

The wind blows free.
The clouds roll by.
Our memories they fly.
We`re thankful and proud as we think of you.

The strength you gave.
The friends you made.
The sports you loved to play.
Today is our day to honour you.

Chorus

*And it is with joy we bring
Our heart and soul with thoughts of you.
Knowing you cared so much,
For each and every one of us.*

A better place
Is now your home,
For nothing can compare,
To life with our Saviour.
Since you believed, you`re there.

The streets of gold,
The angel`s songs,
The family you`ve so missed.
They`re living in glory.
Just think of it!

Chorus

And it is with joy we bring,
Our heart and soul with thoughts of you.
We`ll stand on your brick for a while.
Thoughts of you always make us smile.

You`re part of us,
We`ll ne`er forget.
Your love lives ever still.
So thankful to God,
You were here for us.

Ever thankful and blessed.
You were here for us.
