Indoor SloPitch

Teams are back at play after the Holiday break. Lots of great plays and fun! Keeping those skills sharp. The Summer season will be here before we know it!

Batting Cages

We received an email regarding a new slo-pitch indoor training facility, **PaxPitch Sports**. <https://paxpitch.ca/>

Located at **2491 Dougall Avenue**, across from the Rose Bowl and the Superstore. It has 4 batting lanes.

You can book your team and receive 15% off an already great price. They will provide lots of 11" or 12" softballs.
