May 2025 Update

WECSO welcomes all returning players and especially the many new members. We have several familiar coaches and a few new coaches this season; thank you for stepping up. To the volunteers, thank you in advance for your support and dedication to the league. The pavilion will be open for food and beverage every day after the practices/games.

There has been a lot of work put into the diamonds this season by Matt.

The website is the main communication tool for the league. Check it regularly for information, updates, changes, etc.

The season officially opens Monday May 5th, weather permitting.

Before coming to the ballpark:

1. Check the website by 8:30 a.m. to verify that the games are on in case of a rainout. A good rule is to not go to the park before 8:30 a.m.
2. Dress appropriately for the weather conditions.
3. Leave yourself enough time to warm-up and stretch **PROPERLY** before the game.
4. ALWAYS bring water/fluids to hydrate during the game, especially as the summer weather heats up.
5. Know your limits. Listen to your body. Play safe.
6. Be respectful and courteous at all times.
7. Have fun and enjoy the game we all love.
